

LED NEMA Head Series LNH

Security LED Luminaire

- 40-60% energy cost reduction
- 50% maintenance cost reduction
- 20 year product life
- Improved visibility from white light
- Environmentally friendly

A Familiar Product Moves into the 21st Century

The LED NEMA Head (LNH) is the perfect solution to transition existing HID dusk-to-dawn luminaires into the 21st century. The LNH maintains the familiar NEMA Head look and produces a comfortable, efficient, white light, while significantly reducing operating costs and extending fixture life.

THE NEMA HEAD IS NOW AVAILABLE WITH LED TECHNOLOGY!

LED NEMA Head Series LNH

Security LED Luminaire

Total Cost of Ownership

The reduction in energy and maintenance cost coupled with the extremely long life of the LNH results in a rapid payback vs. HID.

Lighting for the Future

The LNH is your sustainable security lighting solution. At only 60 watts of input power it reduces CO₂ emissions by .4 metric tons annually.
